Department of Electrical Engineering

Date: 13-07-2026

CERTIFICATE OF INTERNSHIP COMPLETION

This is to certify that NIMMALA SRIDEVI HIMA SAI SUDHARANI, a student pursuing B.Tech in Electronics & Communication Engineering, bearing Roll No.24PA5A0415 from Vishnu Institute of Technology, Bhimavaram, has successfully completed an internship under my guidance in the domain of Embedded Systems & Control Systems during the period from 18/05/2026 to 26/06/2026

During the internship, the student gained practical knowledge and hands-on experience in embedded systems, control systems, and hardware interfacing. The student actively participated in the development, testing, and implementation of projects using MATLAB, Simulink, Raspberry Pi, and the STEVAL-EDUKIT01 Pendulum.

The internship provided exposure to embedded systems fundamentals, MATLAB/Simulink-based modelling and simulation, Raspberry Pi programming and interfacing, experimental studies using the STEVAL-EDUKIT01 Pendulum, and system integration, testing, and performance evaluation. Throughout the internship, the student showed dedication, technical aptitude, and professionalism while completing the assigned tasks and project activities. The student's overall performance was Good.

This certificate is awarded in recognition of the successful completion of the internship. We wish her continued success in their academic pursuits and future professional endeavors.

Sincerely,

**Dr. Sri Phani Krishna Karri (Asst. Prof.,)
Electrical Engineering Department
NIT Andhra Pradesh**
